

# Vincy Table Tennis Foundation donates equipment to students

Forty-five young Vincentians received much needed equipment which will assist them to further develop their skills in the sport of Table Tennis.

The programme, which is in its second year is coordinated by the Vincy Table Tennis Foundation, and funded by the UK friends of the Mustique Charitable Trust. The programme saw young people from the Clare Valley Government School, Fancy Government School, and the Troumaca Ontario Secondary School being given the opportunity to refine their table tennis skills.

Speaking at a ceremony held at the Assembly Hall of the St Vincent Grammar School, Administration Director of the Mustique Charitable Trust Dularie Malcolm said the UK Friends of the Mustique Charitable Trust are delighted to partner with the Vincy Table Tennis Foundation programme which is helping to develop the nation's youth.

Malcolm said it is important for children to be engaged in physical activity which will also help to develop their social and academic skills.

She also praised the coaches of the Vincy Table Tennis Foundation for their continued dedication in helping to develop the nation's youth. (API)
